

# Welcome to our home.

As the oldest Black Forest Inn in the area, we are proud of our 500 year long tradition of service and dedication to our guests. We strive to make your stay as comfortable and memorable as possible. We offer a low-key relaxed atmosphere with local decor and an excellent menu of regional cuisine. Our kitchen prides itself in the use of only the freshest local ingredients. Our rooms, while modern, are in keeping with the rustic theme of our hotel and environment. Choose a traditional room in the main hotel or a small apartment in our guesthouse. All our rooms have private baths, telephone, TV and radio.

We didn't forget the kids either. Watch them play on our playground, in our inside playroom, or enjoy some fun with our small furry friends.

# Enjoy the holiday.

Waldau (ca. 950-1127) is an idyllic village in the heart of the Black Forrest. It offers enchanted vistas, rolling hills and vast fields filled of endless hiking trails and paths. Our hotel offers an ideal starting point to access hiking and biking trails. Loose yourself in the boundless beauty and fresh air. Enjoy one of many local sport and climbing facilities. Plan a day trip to one of our lakes or enjoy the waterpark paradise near the famous Titisee opened in 2010. Whether you desire relaxation or adventure, you will find it all within easy access to our hotel.

## Winter Fun?

Winter in our village means snow and lots of it. Bring your own skis or rent them in one of our local ski areas or shops. The closest ski area is within walking distance from our hotel. Not an alpine skier? Cross country trails abound in our area with easy access starting right at our front door. Besides skiing, enjoy a day of sledding with the kids, snowshoe through untouched fields of snow and catch a glimpse of the distant alps.

After a long day of playing in the snow, unwind in our spacious sauna and dine on our renowned black forest specialties.
